

3pp® Ez FIT Thumb Spica Splint

- Carefully cushions with a tri-layer memory foam to fully support the thumb and forearm
- Full length aluminum stay can be custom contoured to position the thumb and wrist
- Fits along the radial side of the forearm, leaving fingers and the ulnar side of the hand free for function
- Flat buckles prevent straps from twisting and straps are angled to contour to the arm for a secure fit
- One size, fits left or right hand for economic stocking

Indications

- ☒ de Quervain's Tendinosis
- ☒ Skier's / Gamekeeper's Thumb
- ☒ Overuse / Repetitive Stress
- ☒ Arthritis
